

Make sure your doctor checks the list!

Give one card to each of your doctors at your next regularly scheduled visits, and ask them to add it to your patient record. The cards contain all of the information they'll need to request prior review for procedures or services they may prescribe. Photocopy these cards if you need more. **Keep this card, give the rest to your doctors.** →

For you.

Your health plan, Blue Cross and Blue Shield of North Carolina, requires prior review for certain services and procedures.

Please visit:

www.bcbsnc.com/memberservices/public/ppa for a complete list of services and procedures and for more information about what your doctor needs to do to complete the prior review process.
