WELCOME TO BLUE OPTIONS

Welcome to Blue Cross and Blue Shield of North Carolina's Blue Options plan!

As a MEMBER of the Blue Options plan, you will enjoy quality health care from a network of health care PROVIDERS and easy access to SPECIALISTS. You also have the freedom to choose health care PROVIDERS who do not participate in the Blue Options network.

You may receive, upon request, information about Blue Options, its services and DOCTORS, including this benefit booklet with a benefit summary.

Please note: This health benefit plan was not specifically designed to be a high deductible health plan (HDHP) under the Tax Code, and therefore is not intended to be paired with a health savings account (HSA). Check with a tax advisor to ensure qualification before you pair this health benefit plan with an HSA.

How To Use Your Blue Options Benefit Booklet

This benefit booklet provides important information about your benefits and can help you understand how to maximize them.

If you are trying to determine whether coverage will be provided for a specific service, you may want to review all of the following:

- "Summary Of Benefits" to get an overview of your specific benefits, such as DEDUCTIBLE, coinsurance, copayment and maximum amounts
- "COVERED SERVICES" to get more detailed information about what is covered and what is excluded from coverage
- "UTILIZATION MANAGEMENT" for important information about when PRIOR REVIEW and CERTIFICATION are required
- "What Is Not Covered?" to see general exclusions from coverage.

If you still have questions, you can contact Student BlueSM at email@studentbluenc.com or call the number listed on your ID CARD or in "Whom Do I Call?"

As you read this benefit booklet, keep in mind that any word you see in small capital letters (SMALL CAPITAL LETTERS) is a **defined term** and will appear in "Glossary" at the end of this benefit booklet.

The terms "we," "us," and "BCBSNC" refer to Blue Cross and Blue Shield of North Carolina. Common insurance terms involving your financial responsibility, such as "coinsurance," "coinsurance maximum," and "copayment" are defined in "Understanding Your Share Of The Cost."

The term "student health center (SHC)" refers to the student or campus health services at the school associated with this health benefit plan.

You will also want to review the following sections of this benefit booklet:

- "How Blue Options Works" explains the coverage levels available to you
- "When Coverage Begins And Ends" tells you, among other things, how and when to enroll in this health benefit plan
- "What If You Disagree With Our Decision?" explains the rights available to you when we make a decision regarding your coverage and you do not agree.

SUMMARY OF BENEFITS

This section provides a summary of your Blue Options benefits. A more complete description of your benefits is found in "COVERED SERVICES." General exclusions may also apply - please see "What Is Not Covered?" As you review the "Summary Of Benefits" chart, keep in mind:

- Coinsurance percentages shown in this section are the portion of the ALLOWED AMOUNT that BCBSNC pays
- DEDUCTIBLE and coinsurance amounts are based on the ALLOWED AMOUNT
- Services applied to the DEDUCTIBLE also count toward any visit or day maximums
- To receive IN-NETWORK benefits, you must receive care from a Blue Options IN-NETWORK PROVIDER. **However, in an EMERGENCY, or when IN-NETWORK PROVIDERS are not reasonably available as determined by BCBSNC's access to care standards, you may also receive IN-NETWORK benefits for care from an OUT-OF-NETWORK PROVIDER. Please see "OUT-OF-NETWORK Benefit Exceptions" and "EMERGENCY Care" for additional information. Access to care standards are available on the BCBSNC Web site at bcbsnc.com.**
- If you see an OUT-OF-NETWORK PROVIDER, you will receive OUT-OF-NETWORK benefits unless otherwise approved by BCBSNC.

Please Note: The list of IN-NETWORK PROVIDERS may change from time to time, so please verify that the PROVIDER is still in the Blue Options network before receiving care. Find a PROVIDER on the Web site at bcbsnc.com/student or call the number listed on your ID CARD or in "Whom Do I Call?"

SPECIAL NOTICE IF YOU CHOOSE AN OUT-OF-NETWORK PROVIDER

NOTICE: Your actual expenses for COVERED SERVICES may exceed the stated coinsurance percentage or copayment amount because actual PROVIDER charges may not be used to determine the health benefit plan's and MEMBER'S payment obligations. For OUT-OF-NETWORK benefits, you may be required to pay for charges over the ALLOWED AMOUNT, in addition to any copayment or coinsurance amount.

If you go to an OUT-OF-NETWORK PROVIDER in North Carolina or to any PROVIDER outside of North Carolina, you are responsible for requesting or ensuring that your PROVIDER requests PRIOR REVIEW by BCBSNC. **Failure to request PRIOR REVIEW and receive CERTIFICATION may result in allowed charges being reduced by 25% or a full denial of benefits. HOW BLUE OPTIONS WORKS

Blue Options gives you the freedom to choose any PROVIDER - the main difference will be the cost to you. Benefits are available for services from a PROVIDER that is recognized by BCBSNC as eligible. For a list of eligible PROVIDERS, please visit the Student BlueSM Web site at bcbsnc.com/student or call the number listed in "Whom Do I Call?"

Student Health Center (SHC)

The Student Health Center (SHC) at your school provides primary medical care for all who have paid the SHC fee. In order to make the most of your benefits, visit SHC first. If you require services of a DOCTOR outside SHC, they can guide you to the appropriate PROVIDER.

IN-NETWORK Benefits

IN-NETWORK PROVIDERS are health care professionals and facilities that have contracted with BCBSNC, or PROVIDERS participating in the Blue Options program. By choosing PROVIDERS in the Blue Options network, you receive a higher level of benefit coverage. If the billed amount for COVERED SERVICES is greater than the ALLOWED AMOUNT, you are not responsible for the difference. You pay only the applicable DEDUCTIBLE, coinsurance, and noncovered expenses.

You are not required to obtain any referrals. IN-NETWORK PROVIDERS in North Carolina will file claims for you and request PRIOR REVIEW when necessary. **If you receive services outside of North Carolina (even if you see an IN-NETWORK PROVIDER), you are responsible for requesting or ensuring that your PROVIDER requests PRIOR REVIEW by BCBSNC.** For inpatient or outpatient mental health and substance abuse services, either in or outside of North Carolina, contact Magellan Behavioral Health to request PRIOR REVIEW and receive CERTIFICATION. PRIOR REVIEW is not required for an EMERGENCY or for an inpatient HOSPITAL stay for 48 hours after a vaginal delivery or 96 hours after a cesarean section.

The list of IN-NETWORK PROVIDERS may change from time to time. IN-NETWORK PROVIDERS are listed on the Student BlueSM Web site at bcbsnc.com/student, or call the number listed in "Whom Do I Call?" Please note that DENTISTS and orthodontists do not participate in the Blue Options PROVIDER network.

OUT-OF-NETWORK Benefits

With the Blue Options plan, you may choose to receive COVERED SERVICES from an OUT-OF-NETWORK PROVIDER - PROVIDERS not designated as a Blue Options PROVIDER by BCBSNC. These benefits will be paid at the lower OUT-OF-NETWORK benefit level.

When you see an OUT-OF-NETWORK PROVIDER, you may be responsible for paying any charges over the ALLOWED AMOUNT in addition to the DEDUCTIBLE, coinsurance, noncovered expenses and CERTIFICATION penalty, if any. BCBSNC encourages you to discuss the cost of services with OUT-OF-NETWORK PROVIDERS before receiving care so you will be aware of your total financial responsibility.

You are not required to obtain any referrals. You may have to pay the OUT-OF-NETWORK PROVIDER in full and submit your own claim to BCBSNC; the decision is up to the OUT-OF-NETWORK PROVIDER.

OUT-OF-NETWORK PROVIDERS, are not obligated by contract to request PRIOR REVIEW by BCBSNC. If you go to an OUT-OF-NETWORK PROVIDER or receive care outside of North Carolina, it is your responsibility to request or ensure that your PROVIDER requests PRIOR REVIEW by BCBSNC. Failure to request PRIOR REVIEW and obtain CERTIFICATION may result in a partial or full denial of benefits. Before receiving the service, you may want to verify with Student BlueSM that CERTIFICATION has been obtained. See "Prospective Review/PRIOR REVIEW" in "UTILIZATION MANAGEMENT" for additional information. PRIOR REVIEW is not required for an EMERGENCY or for an inpatient HOSPITAL stay for 48 hours after a vaginal delivery or 96 hours after a cesarean section.

OUT-OF-NETWORK Benefit Exceptions

In an EMERGENCY, in situations where IN-NETWORK PROVIDERS are not reasonably available as determined by BCBSNC's access to care standards, or in continuity of care situations, OUT-OF-NETWORK benefits will be paid at your IN-NETWORK coinsurance and will be based on the billed amount. However, you may be responsible for charges billed separately by the PROVIDER which are not eligible for additional reimbursement. If you are billed by the PROVIDER, you will be responsible for paying the bill and filing a claim with BCBSNC.

For more information, see "EMERGENCY Care." "Continuity Of Care" in "UTILIZATION MANAGEMENT," and for information about BCBSNC's access to care standards, see the Web site at **bcbssc.com**. If you believe an IN-NETWORK PROVIDER is not reasonably available, you can help assure that benefits are paid at the correct benefit level by calling Student BlueSM before receiving care from an OUT-OF-NETWORK PROVIDER.

Carry Your IDENTIFICATION CARD

Your ID CARD identifies you as a Blue Options MEMBER. Be sure to carry your ID CARD with you at all times, and present it each time you seek health care.

If any information on your ID CARD is incorrect or if you need additional cards, please contact Student BlueSM at **email@studentbluenc.com** or call the number listed in "Whom Do I Call?"

Making An Appointment

Call the PROVIDER'S office and identify yourself as a Blue Options MEMBER. If you need nonemergency services after your PROVIDER'S office has closed, please call your PROVIDER'S office for their recorded instructions. You may also contact the nurse advice line, HealthLine Blue, for assistance.

If you cannot keep an appointment, call the PROVIDER'S office as soon as possible. Charges for missed appointments, which PROVIDERS may require as part of their routine practice, are not covered.

The Role Of A PRIMARY CARE PROVIDER (PCP) Or SPECIALIST

It is important for you to maintain a relationship with a PCP, either at SHC or outside of SHC, who will help you manage your health and make decisions about your health care. If you change PCPs, be sure to have your medical records transferred, especially immunization records, to provide your new DOCTOR with your medical history. You should participate actively in all decisions related to your health care and discuss all treatment options with your health care PROVIDER regardless of cost or benefit coverage. PCPS are trained to deal with a broad range of health care issues and can help you to determine when you need a SPECIALIST. PROVIDERS for medical specialties such as family practice, internal medicine and pediatrics may participate as PCPs.

Please visit the Student BlueSM Web site at **bcbssc.com/student**, or call the number listed in "Whom Do I Call?" to be sure the PROVIDER you choose is available to be a PCP. You may want to confirm that the PROVIDER is in the network before receiving care.

If your PCP or SPECIALIST leaves our PROVIDER network and they are currently treating you for an ongoing special condition, see "Continuity Of Care" in "UTILIZATION MANAGEMENT."

Upon the request of the MEMBER and subject to approval by BCBSNC, a SPECIALIST treating a MEMBER for a serious or chronic disabling or life-threatening condition can act as the MEMBER'S PCP. The selected SPECIALIST would be responsible for providing and coordinating the MEMBER'S primary and specialty care. The selection of a SPECIALIST under these circumstances shall be made under a treatment plan approved by the SPECIALIST, and BCBSNC, with notice to the PCP if applicable. A request may be denied where it is determined that the SPECIALIST cannot appropriately coordinate the MEMBER'S primary and specialty care.

To make this request or if you would like the professional qualifications of your PCP or IN-NETWORK SPECIALIST, you may call Student BlueSM at the number listed in "Whom Do I Call?"

HealthLine Blue

You may call a HealthLine Blue nurse to assist you with medical questions, offer support, and send you free videotapes and brochures on health topics appropriate for your condition. MEMBERS may ask to speak with the same nurse on an ongoing basis. You may also visit the Web site at **bcbssc.com/student** to search a library of current health topics, send secure messages to the HealthLine Blue nurses, learn about symptoms and medications and use tools that guide you through important health care decisions. See the number listed in "Whom Do I Call?" to speak to a HealthLine Blue nurse.

UNDERSTANDING YOUR SHARE OF THE COST

This section explains how you and BCBSNC share the cost of your health care.

Copayments

A copayment is a fixed dollar amount you must pay for some COVERED SERVICES. The PROVIDER usually collects this amount at the time the service is received. Copayments are not credited to the individual or family coinsurance maximum or to the BENEFIT PERIOD DEDUCTIBLE.

DEDUCTIBLES

A DEDUCTIBLE is the dollar amount you must incur for COVERED SERVICES in a BENEFIT PERIOD before benefits are payable by BCBSNC. If one or more DEPENDENTS are covered, you each have an individual DEDUCTIBLE and your family has a combined family DEDUCTIBLE. Refer to "Summary Of Benefits" for your DEDUCTIBLE amounts.

Note these special rules:

- Charges for the following services do not apply to the BENEFIT PERIOD DEDUCTIBLE:
 - Medical services received at SHC

Coinsurance

Coinsurance is the sharing of charges by BCBSNC and the MEMBER for COVERED SERVICES, after you have satisfied your BENEFIT PERIOD DEDUCTIBLE.

Here is an example of what your costs could be for IN-NETWORK or OUT-OF-NETWORK services. The scenario is a total outpatient HOSPITAL bill of \$5,000. DEDUCTIBLE and COINSURANCE amounts are for example only, please refer to "Summary Of Benefits" for your benefits.

	IN-NETWORK	OUT-OF-NETWORK
A. Total Bill	\$5,000	\$5,000
B. ALLOWED AMOUNT	\$4,250	\$4,250
C. DEDUCTIBLE Amount	\$250	\$500
D. ALLOWED AMOUNT Minus DEDUCTIBLE (B-C)	\$4,000	\$3,750
E. Your Coinsurance Amount (x% times D.)	(10%) \$400	(30%) \$1,125
F. Amount You Owe Over ALLOWED AMOUNT	\$0 (IN-NETWORK charges limited to ALLOWED AMOUNT)	\$750 (difference between Total Bill and ALLOWED AMOUNT)
G. Total Amount You Owe (C+E+F)	\$650	\$2,375

Coinsurance Maximum

The coinsurance maximum is the dollar amount of coinsurance you pay for COVERED SERVICES in a BENEFIT PERIOD before BCBSNC pays 100% of COVERED SERVICES.

Note these special rules:

- Charges for PRESCRIPTION DRUGS do not apply to the BENEFIT PERIOD coinsurance maximum
- Copayments, DEDUCTIBLES, charges over ALLOWED AMOUNTS and charges for noncovered services are not included in the coinsurance maximum
- Charges applied to your OUT-OF-NETWORK coinsurance are credited to your IN-NETWORK coinsurance maximum. However, charges applied to your IN-NETWORK coinsurance are not credited to your OUT-OF-NETWORK coinsurance maximum.

Blue Options covers only those services that are **MEDICALLY NECESSARY**. Also keep in mind as you read this section:

- **Certain services require PRIOR REVIEW and CERTIFICATION in order for you to avoid a partial (penalty) or complete denial of benefits. General categories of services are noted below as requiring PRIOR REVIEW. Also see "Prospective Review/PRIOR REVIEW" in "UTILIZATION MANAGEMENT" for information about the review process, and contact Student BlueSM at email@studentbluenc.com to ask whether a specific service requires PRIOR REVIEW and CERTIFICATION.**
- Exclusions and limitations apply to your coverage. Service-specific exclusions are stated along with the benefit description in "COVERED SERVICES." Exclusions that apply to many services are listed in "What Is Not Covered?" To understand the exclusions and limitations that apply to each service, read "COVERED SERVICES," "Summary Of Benefits" and "What Is Not Covered?"

or family history of certain intestinal disorders. Some of these procedures are considered SURGERY, such as colonoscopy and sigmoidoscopy, and others are considered lab tests, such as hemoccult screenings.

The PROVIDER search on the Student BlueSM Web site at bcbnsnc.com/student can help you find office-based PROVIDERS or call the number in "Whom Do I Call?" for this information.

Diagnostic procedures such as laboratory studies, radiology services and other diagnostic testing, which may include electroencephalograms (EEGs), electrocardiograms (ECGs), Doppler scans and pulmonary function tests (PFTs), help your DOCTOR find the cause and extent of your condition in order to plan for your care.

Certain diagnostic imaging procedures, such as CT scans and MRIs, may require PRIOR REVIEW and CERTIFICATION or services will not be covered.

Your DOCTOR may refer you to a freestanding radiology center for these procedures. Separate benefits for interpretation of diagnostic services by the attending DOCTOR are not provided in addition to benefits for that DOCTOR'S medical or surgical services, except as otherwise determined by BCBSNC.

EMERGENCY Care

Your health benefit plan provides benefits for EMERGENCY SERVICES. An EMERGENCY is the sudden and unexpected onset of a condition of such severity that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in any of the following:

- Placing the health of an individual, or with respect to a pregnant woman the health of the pregnant woman or her unborn child, in serious jeopardy
- Serious physical impairment to bodily functions
- Serious dysfunction of any bodily organ or part
- Death.

Heart attacks, strokes, uncontrolled bleeding, poisonings, major burns, prolonged loss of consciousness, spinal injuries, shock and other severe, acute conditions are examples of EMERGENCIES.

What To Do In An EMERGENCY

In an EMERGENCY, you should seek care immediately from an emergency room or other similar facility. If necessary and available, call 911 or use other community emergency resources to obtain assistance in handling life-threatening EMERGENCIES.

PRIOR REVIEW is not required for EMERGENCY SERVICES. Your visit to the emergency room will be covered if your condition meets the definition of an EMERGENCY. If you are unsure if your condition is an EMERGENCY, you can call HealthLine Blue, and a HealthLine Blue nurse will provide information and support that may save an unnecessary trip to the emergency room.

COVERED SERVICES (cont.)

If you go to an emergency room for treatment of an EMERGENCY, your copayment, DEDUCTIBLE or coinsurance will be the same, whether you use an IN-NETWORK or OUT-OF-NETWORK PROVIDER. When you receive these services from an OUT-OF-NETWORK PROVIDER, benefits are based on the billed amount. However, you may be responsible for charges billed separately which are not eligible for additional reimbursement, and you may be required to pay the entire bill at the time of service and file a claim with BCBSNC.

After EMERGENCY SERVICES are received in an emergency room, you may be held for observation or admitted to the HOSPITAL. In each of these cases, the emergency room COPAYMENT does not apply. If you are held for observation, outpatient benefits apply to all COVERED SERVICES received in both the emergency room and during observation. If you are admitted to the HOSPITAL from the emergency room immediately following EMERGENCY SERVICES, inpatient benefits apply to all COVERED SERVICES received in both the emergency room and during the inpatient hospitalization. See "Summary Of Benefits." In addition, any nonemergency services provided in an emergency room will be covered as an inpatient service.

PRIOR REVIEW and CERTIFICATION are required for inpatient hospitalization and other selected services following EMERGENCY SERVICES (including screening and stabilization) in order to avoid a penalty. You may need to transfer to an IN-NETWORK HOSPITAL once your condition has been STABILIZED in order to continue receiving IN-NETWORK benefits.

Care Following EMERGENCY SERVICES

In order to receive IN-NETWORK benefits for follow-up care related to the EMERGENCY (such as OFFICE VISITS or therapy once you leave the emergency room or are discharged from the HOSPITAL), you must use IN-NETWORK PROVIDERS. Follow-up care related to the EMERGENCY condition is not considered an EMERGENCY and will be treated the same as a normal health care benefit.

URGENT CARE

Your health benefit plan also provides benefits for URGENT CARE services. When you need URGENT CARE during the normal hours of operation of SHC and you are in the Chapel Hill area, you should go to SHC first. You may also call your PCP, a SPECIALIST or go to an URGENT CARE PROVIDER. If you are not sure if your condition requires URGENT CARE, you can call HealthLine Blue.

URGENT CARE includes services provided for a condition that occurs suddenly and unexpectedly and requires prompt diagnosis or treatment such that, in the absence of immediate care, the MEMBER could reasonably be expected to suffer chronic illness, prolonged impairment or the need for more serious treatment. Fever over 101 degrees Fahrenheit, ear infection, sprains, dizziness, and some lacerations are examples of conditions that would be considered urgent.

Maternity Care And Family Planning

Maternity Care

Maternity care benefits, including prenatal care, labor and delivery, and post-delivery care, are available to all female MEMBERS. Maternity benefits for DEPENDENT CHILDREN cover only treatment for COMPLICATIONS OF PREGNANCY.

If a MEMBER has been diagnosed as pregnant prior to termination of this health benefit plan, benefits may be payable for maternity services received after termination for that pregnancy if the annual premium has been paid. However, services will not be covered if the MEMBER has other coverage any time after the termination of this health benefit plan that will cover the pregnancy. In order to receive this benefit, the BENEFIT PERIOD premium must be paid in full. Please contact Student BlueSM regarding this benefit.

Statement Of Rights Under The Newborns' And Mothers' Health Protection Act

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any HOSPITAL length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending PROVIDER (e.g., your DOCTOR, nurse midwife or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

COVERED SERVICES (cont.)

Also, under federal law, group health plans and health insurance issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a DOCTOR or other health care PROVIDER obtain CERTIFICATION for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain PROVIDERS or facilities, or to reduce your out-of-pocket costs, you may be required to obtain CERTIFICATION.

If the mother chooses a shorter stay, coverage is available for a HOME HEALTH visit for post-delivery follow-up care if received within 72 hours of discharge. In order to avoid a penalty, PRIOR REVIEW and CERTIFICATION are also required for inpatient stays extending beyond 48 hours following a vaginal delivery or 96 hours following a cesarean section. For information on CERTIFICATION, contact Student BlueSM at email@studentbluenc.com or call the number listed in "Whom Do I Call?"

Benefits for abortion, whether therapeutic or elective, are available through the first 16 weeks of a pregnancy for all female MEMBERS except DEPENDENT CHILDREN.

Benefits for COMPLICATIONS OF PREGNANCY are available to all female MEMBERS including DEPENDENT CHILDREN. Please see "Glossary" for an explanation of COMPLICATIONS OF PREGNANCY.

Newborn Care

Inpatient newborn care of a well baby is covered under the mother's maternity benefits described above only during the first 48 hours after a vaginal delivery or 96 hours after delivery by cesarean section. This inpatient newborn care (well baby) requires only one BENEFIT PERIOD DEDUCTIBLE for both mother and baby. Benefits also include newborn hearing screening ordered by a DOCTOR to determine the presence of permanent hearing loss.

After the first 48/96 hours, the newborn will not be covered unless enrolled for coverage as a DEPENDENT CHILD according to the rules in "When Coverage Begins And Ends." The baby must meet the individual BENEFIT PERIOD DEDUCTIBLE if applicable, and PRIOR REVIEW and CERTIFICATION are required for further hospitalization in order to avoid a penalty.

INFERTILITY Services

Benefits are provided for certain services related to the diagnosis, treatment and correction of any underlying causes of INFERTILITY for all MEMBERS except DEPENDENT CHILDREN.

See "Maternity Care" and "EMERGENCY Care." Travel and lodging expenses may be reimbursed based on BCBSNC guidelines that are available upon request from a TRANSPLANT coordinator.

For a list of covered TRANSPLANTS, contact Student BlueSM at email@studentbluenc.com or call the number listed in "Whom Do I Call?" to speak with a TRANSPLANT coordinator and request PRIOR REVIEW. Grafting procedures associated with reconstructive SURGERY are not considered TRANSPLANTS. Your health benefit plan provides benefits for the treatment by a HOSPITAL, DOCTOR or OTHER PROVIDER of specific diagnosed MENTAL ILLNESSES that are considered severe, defined as SEVERE MENTAL ILLNESS, MENTAL ILLNESSES not identified as SEVERE MENTAL ILLNESS, and substance abuse. See "Glossary" for those mental illnesses that are classified as SEVERE MENTAL ILLNESSES.

Your coverage for IN-NETWORK inpatient and outpatient services is coordinated through Magellan Behavioral Health. BCBSNC delegates administration of these benefits to Magellan Behavioral Health. Magellan Behavioral Health is not associated with BCBSNC. See "How To Access Mental Health And Substance Abuse Services."

See "Summary Of Benefits" for MENTAL ILLNESS visit and day limits and substance abuse maximums. Benefits for SEVERE MENTAL ILLNESS are not subject to these limits. These limits and maximums are combined for in- and OUT-OF-NETWORK services.

OFFICE VISIT Services

PRIOR REVIEW by Magellan Behavioral Health is not required for OFFICE VISIT services. The following professional services are covered when provided in an office setting:

- Evaluation and diagnosis
- MEDICALLY NECESSARY biofeedback and neuropsychological testing
- Individual and family counseling
- Group therapy.

The following rules only apply to MENTAL ILLNESS OFFICE VISIT limits:

- Each service provided by a mental health PROVIDER will count as one visit
- Any mental health therapy services provided by a non-mental health PROVIDER during the course of an OFFICE VISIT will count as one visit.

If you choose to receive nonemergency inpatient or outpatient services from an IN-NETWORK PROVIDER without requesting PRIOR REVIEW and receiving CERTIFICATION from Magellan Behavioral Health, you will receive coverage at the OUT-OF-NETWORK benefit level and these services are still subject to MEDICAL NECESSITY. You will also be responsible for the difference between the ALLOWED AMOUNT and the PROVIDER'S full charge.

When you need inpatient or outpatient treatment, call a Magellan Behavioral Health customer service representative at the number listed in "Whom Do I Call?" The Magellan Behavioral Health customer service representative will refer you to an appropriate IN-NETWORK PROVIDER and give you information about PRIOR REVIEW and CERTIFICATION requirements.

Mental Health And Substance Abuse Services Exclusions And Limitations

PRESCRIPTION DRUG Benefits

Your PRESCRIPTION DRUG benefits cover the following:

- PRESCRIPTION DRUGS, including insulin or other self-administered injectable medications, and contraceptive drugs and devices
- Certain over-the-counter drugs when listed as covered in the FORMULARY, and a PROVIDER'S PRESCRIPTION for that drug is presented at the pharmacy
- Spacers for metered dose inhalers and peak flow meters
- PRESCRIPTION DRUGS related to treatment of INFERTILITY and SEXUAL DYSFUNCTION
- PRESCRIPTION DRUGS approved by the Food and Drug Administration (FDA) for long-term use in the treatment of clinical obesity
- Diabetic supplies such as: insulin needles, syringes, glucose testing strips, ketone testing strips and tablets, lancets and lancet devices. Benefits vary for MEDICAL SUPPLIES, depending on whether supplies are received at a MEDICAL SUPPLY PROVIDER or at a pharmacy. See "Summary Of Benefits."

PRESCRIPTION DRUGS are covered through a network of pharmacies in North Carolina and outside the state. The list of network pharmacies may change from time to time. IN-NETWORK pharmacies are listed on the Student BlueSM Web site at bcbsnc.com/student, or call the number listed in "Whom Do I Call?" for information about a specific pharmacy.

You may receive your PRESCRIPTION DRUGS and diabetic supplies from any pharmacy. However, your cost will be less if you use an IN-NETWORK pharmacy and present your ID CARD along with your PRESCRIPTION. Otherwise, you may be asked to pay the full cost of the PRESCRIPTION DRUG and file a claim. You would then be reimbursed the ALLOWED AMOUNT less any applicable copayment or coinsurance. Any charges over the ALLOWED AMOUNT are your responsibility.

If you have an EMERGENCY or URGENT CARE condition and go to an OUT-OF-NETWORK pharmacy, we recommend that you contact Student BlueSM at the number listed in "Whom Do I Call?" so that the claim will be processed at the IN-NETWORK level.

Please note that copayments for PRESCRIPTION DRUGS are calculated from the national drug code (NDC) submitted by the pharmacy. If a drug is not available in the dosage prescribed, multiple NDCs may be submitted. Then the MEMBER is responsible for copayments for each 30-day supply for each NDC.

Some PRESCRIPTION DRUGS are only dispensed in 60- or 90-day quantities. For these PRESCRIPTION DRUGS which are subject to a copayment, you will pay either two or three copayments depending on the quantity you receive.

From time to time, MEMBERS may receive a reduced or waived copayment and/or coinsurance on designated drugs in connection with a program designed to reduce PRESCRIPTION DRUG costs. Please visit bcbsnc.com/student or call Student BlueSM at the number listed in "Whom Do I Call?" to learn more about these programs and whether or not you may qualify.

For each 30-day supply or refill received, the MEMBER is required to pay a copayment, when applicable. However, you may buy up to a 90 day supply of PRESCRIPTION DRUGS if allowed by your PRESCRIPTION. You may have this filled at any retail pharmacy. If you would like to receive an extended supply of PRESCRIPTION DRUGS through the mail, please have your PROVIDER write a new PRESCRIPTION for up to 90 days, and email or call Student BlueSM to ask for a mail order form. You will pay three copayments for a 90-day supply.

Please note the following:

- You cannot refill a PRESCRIPTION until three-fourths of the supply on hand has been used, except under certain circumstances during a state of emergency or disaster.

For each 30-day supply of SPECIALTY BRAND NAME drugs, you will pay a minimum coinsurance listed in the "Summary Of Benefits," up to the PRESCRIPTION DRUG coinsurance maximum listed in the "Summary Of Benefits."

Four-Tier Benefits

You have an open FORMULARY or list of covered PRESCRIPTION DRUGS, divided into categories or tiers: GENERIC (Tier 1), preferred BRAND NAME (Tier 2), BRAND NAME (Tier 3), and SPECIALTY BRAND NAME DRUGS (Tier 4). BCBSNC determines the tier placement of PRESCRIPTION DRUGS in the FORMULARY, and this determines the

COVERED SERVICES *(cont.)*

amount you will pay. The PRESCRIPTION DRUGS listed in the FORMULARY or their tier placement may change from time to time.

The chart below explains your benefit:

Tier	Type of Drug	Benefit
Tier 1	GENERIC Drugs	lowest copayment
Tier 2	PREFERRED BRAND Name Drugs	middle copayment
Tier 3	BRAND NAME Drugs	highest copayment
Tier 4	SPECIALTY BRAND NAME DRUGS	coinsurance

If you want to check the tier placement of a drug, please check the Student BlueSM Web site at bcbsnc.com/student and use the "Find a Drug" search tool for the most up-to-date information, or call the number listed in "Whom Do I Call?" If you would like a free, printed copy of the FORMULARY or a list of RESTRICTED ACCESS DRUGS AND DEVICES, call the number listed in "Whom Do I Call?"

PRIOR REVIEW And CERTIFICATION For PRESCRIPTION DRUGS

PRIOR REVIEW and CERTIFICATION by BCBSNC are required for some PRESCRIPTION DRUGS to be covered. BCBSNC may change the list of these PRESCRIPTION DRUGS from time to time.

For a list of PRESCRIPTION DRUGS that require CERTIFICATION, contact Student BlueSM at email@studentbluenc.com or call the number listed in "Whom Do I Call?"

PRIOR REVIEW will be waived for RESTRICTED ACCESS DRUGS AND DEVICES if your PROVIDER certifies that the nonrestricted FORMULARY drugs or devices have been harmful or ineffective in treating your condition.

Limitations

The benefit for any PRESCRIPTION DRUG used for the purpose of smoking cessation is limited to one course of treatment per 365 days and two courses of treatment per lifetime.

Coverage for certain drugs may be subject to a lifetime dollar maximum. See "Summary Of Benefits."

Some PRESCRIPTION DRUGS may be available in limited quantities based on criteria developed by BCBSNC. PRIOR REVIEW and CERTIFICATION are required before excess quantities of these drugs will be covered.

Some PRESCRIPTION DRUGS may also be subject to supply limits that restrict:

- The amount dispensed per PRESCRIPTION, which may include the amount dispensed per day or for a defined time period
- The amount dispensed per lifetime
- The amount dispensed per month's supply
- The amount dispensed per single copayment.

In these cases, excess quantities will not be covered. You may contact Student BlueSM at email@studentbluenc.com or call the number listed in "Whom Do I Call?" for a list of PRESCRIPTION DRUGS subject to quantity limits. This list may change from time to time.

WHEN COVERAGE BEGINS AND ENDS

To be covered under this health benefit plan:

- You must be a registered student at the University Of North Carolina who has paid the SHC fee
- All qualifying international students must participate in this health benefit plan or have other approved comparable coverage. Students should mail or fax evidence of specific benefits and coverage to the James A. Taylor Campus Health Services, Attn: International Insurance, CB#7470, UNC Chapel Hill, NC 27599.

If you enroll during the Fall open enrollment period, your coverage begins on August 15, 2009. If you enroll during the Spring open enrollment period, your coverage begins on January 1, 2010. Age-banded premiums are based on the SUBSCRIBER'S age at the time of the effective date each policy year.

Eligible students must complete a new enrollment form in order to be covered for the following year.

Medical Leave of Absence

Students enrolled in the health benefit plan may continue coverage while on an approved medical leave of absence for a maximum of one year. Students must intend to return and remain a degree-seeking candidate and remit appropriate premiums. To determine if you are eligible, please contact Student BlueSM for more information.

Coverage For Your DEPENDENTS

For DEPENDENTS to be covered under this health benefit plan, you must be covered and your DEPENDENT must be one of the following:

- Your spouse, under a legally valid, existing marriage between persons of the opposite sex
- Your same sex domestic partner, so long as you and your same sex domestic partner have attested to Student BlueSM in writing to the following:
 1. That you and your same sex domestic partner are both mentally competent
 2. That you and your same sex domestic partner are both at least the age of consent for marriage in the state of North Carolina
 3. That you and your same sex domestic partner are not related by blood to a degree of closeness that would prohibit legal marriage in North Carolina
 4. That you and your same sex domestic partner are not married to anyone else
 5. That you and your same sex domestic partner are mutually responsible for the cost of basic living expenses as evidenced by joint home ownership, common investments, or some other similar evidence of financial interdependence
 6. That you and your same sex domestic partner live together and intend to do so permanently
 7. That you do not currently have a domestic partner covered under this health benefit plan
 8. That you have not had a domestic partner covered under this health benefit plan at any time within the past 12 months before adding this domestic partner unless the previous domestic partnership was terminated by death.

The conditions listed in 2-8 above must remain true and correct for your same sex domestic partner to remain an eligible DEPENDENT under the terms of this coverage.

- Your, your spouse's or your same sex domestic partner's unmarried DEPENDENT CHILDREN to the 14th day of the month following their 26th birthday, including newborn children from date of birth, stepchildren, adoptive children from date of placement for adoption and FOSTER CHILDREN from date of placement in the foster home
- An unmarried DEPENDENT CHILD who is either mentally retarded or physically handicapped and incapable of self-support may continue to be covered under the health benefit plan regardless of age if the condition exists and coverage is in effect when the child reaches the age of 26. The handicap must be medically certified by the child's DOCTOR and may be verified annually by BCBSNC.

Enrolling In This Health Benefit Plan

It is very important to enroll yourself or your DEPENDENTS when first eligible.

Waiting Periods For PRE-EXISTING CONDITIONS

If you are a newly insured student, you must satisfy a 12-month waiting period for PRE-EXISTING CONDITIONS under this health benefit plan. Any waiting period for PRE-EXISTING CONDITIONS begins on the enrollment date. For purposes of a PRE-EXISTING CONDITION waiting period, the enrollment date is the first day of coverage under this health benefit plan or the first day of any probationary period, whichever is earlier.

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

During a waiting period for PRE-EXISTING CONDITIONS neither you nor your DEPENDENTS will receive benefits for conditions for which medical advice, diagnosis, care or treatment was recommended or received within the six months immediately preceding the enrollment date. However, provided there was no significant break in coverage, a waiting period for PRE-EXISTING CONDITIONS will not apply to any condition first identified, treated and covered under prior CREDITABLE COVERAGE. Medical records may be ordered to make these determinations.

For purposes of determining the specifics around any waiting period for PRE-EXISTING CONDITIONS, a "significant break in coverage" is 63 or more consecutive days prior to the enrollment date, during which you have no proof of CREDITABLE COVERAGE.

The waiting period for PRE-EXISTING CONDITIONS will be reduced by the number of days you or your DEPENDENTS had prior CREDITABLE COVERAGE, so long as there was no significant break in coverage. The Certificate of Creditable Coverage or other evidence of CREDITABLE COVERAGE can be provided as soon as reasonably possible.

Timely Enrollees

Timely enrollees are subject to a 12-month waiting period for PRE-EXISTING CONDITIONS. Your coverage will begin on the date of the event or the day after the postmark date of the application, whichever is later. Newborns, adoptive children, FOSTER CHILDREN, and eligible children who are added as a result of a court order are not subject to a WAITING PERIOD.

You are a timely enrollee if you apply for coverage and/or add DEPENDENTS within a 30-day period following any of the qualifying events listed below unless otherwise noted.

The following are considered qualifying events:

- You or your DEPENDENTS become eligible for coverage under this health benefit plan
- You get married or obtain a DEPENDENT through birth, adoption, placement in anticipation of adoption, or foster care placement of an eligible child
- You or your DEPENDENTS lose coverage under another health benefit plan, and each of the following conditions is met:
 - you and/or your DEPENDENTS are otherwise eligible for coverage under this health benefit plan, and
 - you and/or your DEPENDENTS were covered under another health benefit plan at the time this coverage was previously offered and declined enrollment due to the other coverage, and
 - you and/or your DEPENDENTS lose coverage under another health benefit plan due to i) the exhaustion of the COBRA continuation period, or ii) the loss of eligibility for that coverage for reasons including, but not limited to, divorce, loss of DEPENDENT status, death of the employee, termination of employment, or reduction in the number of hours of employment, or iii) the termination of the other plan's coverage, or iv) the offered health benefit plan not providing benefits in your service area and no other health benefit plans are available, or v) the termination of employer contributions toward the cost of the other plan's coverage, or vi) meeting or exceeding the lifetime benefit maximum, or vii) the discontinuance of the health benefit plan to similarly situated individuals.
- You have DEPENDENTS who arrive in the United States and you enroll the DEPENDENTS within 30 days of their arrival.

Adding Or Removing A DEPENDENT

Do you want to add or remove a DEPENDENT? You must notify Student BlueSM and complete any required forms. Failure to timely notify Student BlueSM of the need to remove a DEPENDENT could result in loss of eligibility for continuation of coverage.

To add a DEPENDENT, you must visit bcbsnc.com/student and complete the proper form within 30 days after the DEPENDENT becomes eligible. If you marry and want your spouse to be covered under this health benefit plan, your spouse's coverage will be effective on the date of your marriage if you enroll your spouse within 30 days after your marriage.

If you are adding a newborn child, a child legally placed for adoption or a FOSTER CHILD, and adding the DEPENDENT CHILD would not change your coverage type or the premiums that are owed, the change will be effective on the date the child becomes eligible (the date of birth for a newborn, the date of placement for adoption for adoptive children, or the date of placement of a FOSTER CHILD in your home), if the birth or date of placement occurs after the coverage is effective.

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

Notice is not required within 30 days after the child becomes eligible; however, it is important to provide notification as soon as possible.

You may remove DEPENDENTS from your coverage by writing Student BlueSM and completing the proper form. DEPENDENTS must be removed from coverage when they are no longer eligible, such as when a child is no longer eligible due to age, marriage, or when a spouse is no longer eligible due to divorce or death.

Types Of Coverage

These are the types of coverage available:

- Student-only coverage - The health benefit plan covers only you
- Student-spouse coverage - The health benefit plan covers you and your spouse or same sex domestic partner
- Student-children coverage - The health benefit plan covers you and your DEPENDENT CHILDREN
- Family coverage - The health benefit plan covers you, your spouse or same sex domestic partner and your DEPENDENT CHILDREN.

Reporting Changes

Have you moved, added or changed other health coverage, changed your name or phone number? If so, contact Student BlueSM at email@studentbluenc.com. It will help us give you better service if we are kept informed of these changes.

Continuing Coverage

Under certain circumstances, your eligibility for coverage under this health benefit plan may end. You may have the option of purchasing an individual conversion policy.

When My Coverage Under This Health Benefit Plan Ends

If you or your DEPENDENTS are no longer eligible for coverage under this health benefit plan, you may transfer to individual conversion coverage without a medical examination or review of medical records. For continuous coverage, ensure that your premiums are paid during the continuation period. BCBSNC must be notified within 31 days of loss of eligibility. You must complete a Conversion Coverage Enrollment and Change Application and pay the applicable premium. Services during the 31-day conversion period will be covered only if the premium is received before the end of the 31-day period.

Certificate Of Creditable Coverage

BCBSNC or its designee will supply a Certificate of Creditable Coverage when your or your DEPENDENT'S coverage under the health benefit plan ends. Keep the Certificate of Creditable Coverage in a safe place. It may help you receive credit toward any new PRE-EXISTING CONDITIONS waiting period that applies on subsequent coverage. You may request a Certificate of Creditable Coverage from Student BlueSM while you are still covered under this health benefit plan and up to 24 months following your termination.

Termination Of MEMBER Coverage

A MEMBER'S termination shall be effective at 11:59 p.m. on the date that eligibility ends. Coverage may be terminated by BCBSNC when a MEMBER reaches their LIFETIME MAXIMUM for coverage.

A MEMBER'S coverage will be terminated immediately by BCBSNC for the following reasons:

- Fraud or material misrepresentation by the SUBSCRIBER or DEPENDENT
- A MEMBER has been convicted of (or a restraining order has been issued for) communicating threats of harm to BCBSNC personnel or property
- A MEMBER permits the use of his or her or any other MEMBER'S ID CARD by any other person not enrolled under this health benefit plan, or uses another person's ID CARD.

UTILIZATION MANAGEMENT

To make sure you have access to high quality, cost-effective health care, BCBSNC has a UTILIZATION MANAGEMENT (UM) program. The UM program requires that certain health care services be reviewed and approved by BCBSNC in order to receive benefits. As part of this process, BCBSNC looks at whether health care services are MEDICALLY NECESSARY, provided in the proper setting, and provided for a reasonable length of time. BCBSNC will honor a CERTIFICATION to cover medical services or supplies under your health benefit plan unless the CERTIFICATION was based on a material misrepresentation about your health condition or you were not eligible for these services under your health benefit plan due to termination of coverage or nonpayment of premiums.

Rights And Responsibilities Under The UM Program

Your MEMBER Rights

Under the UM program, you have the right to:

- A UM decision that is timely, meeting applicable state and federal time frames
- The reasons for BCBSNC's denial of a requested treatment or health care service, including an explanation of the UM criteria and treatment protocol used to reach the decision
- Have a medical director from BCBSNC make a final determination of all denials of service that were based upon MEDICAL NECESSITY
- Request a review of denial of benefit coverage through our GRIEVANCE process.
- Have an authorized representative pursue payment of a claim or make an appeal on your behalf.

An authorized representative may act on the MEMBER'S behalf with the MEMBER'S written consent. In the event you appoint an authorized representative, references to "you" under the "UTILIZATION MANAGEMENT" section mean "you or your authorized representative" (i.e., the authorized representative may pursue your rights and shall receive all notices and benefit determinations).

BCBSNC's Responsibilities

As part of all UM decisions, BCBSNC will:

- Provide you and your PROVIDER with a toll-free telephone number to call UM review staff when CERTIFICATION of a health care service is needed.
- Limit what we request from you or your PROVIDER to information that is needed to review the service in question
- Request all information necessary to make the UM decision, including pertinent clinical information
- Provide you and your PROVIDER prompt notification of the UM decision consistent with North Carolina law and your health benefit plan.

In the event BCBSNC does not receive sufficient information to approve coverage for a health care service within specified time frames, BCBSNC will notify you in writing that benefit coverage has been denied. The notice will explain how you may pursue a review of the UM decision.

Prospective Review/PRIOR REVIEW

BCBSNC requires that certain health care services receive PRIOR REVIEW as noted in "COVERED SERVICES." These types of reviews are called prospective reviews. If neither you nor your PROVIDER requests PRIOR REVIEW and receives CERTIFICATION, this may result in a partial or complete denial of benefits. The list of services that require PRIOR REVIEW may change from time to time. General categories of services with this requirement are noted in "COVERED SERVICES." Please contact Student BlueSM at email@studentbluenc.com or call the number listed in "Whom Do I Call?" for a detailed list of these services.

If the requested CERTIFICATION is denied, you have the right to appeal. See "What If You Disagree With Our Decision?" for additional information. Certain services may not be covered OUT-OF-NETWORK. See "COVERED SERVICES."

BCBSNC will make a decision on your request for CERTIFICATION within a reasonable amount of time taking into account the medical circumstances. The decision will be made and communicated within three business days after BCBSNC receives all necessary information but no later than 15 days from the date BCBSNC received the request. If your request is incomplete, then within five days from the date BCBSNC received your request, BCBSNC will notify you and your PROVIDER of how to properly complete your request. If BCBSNC does not approve benefit coverage of a health care service, BCBSNC will notify you and the PROVIDER by written or electronic confirmation.

Concurrent Reviews

BCBSNC will also review health care services at the time you receive them. These types of reviews are concurrent reviews.

BCBSNC will communicate concurrent review decisions to the HOSPITAL or other facility within three business days after BCBSNC receives all necessary information but no later than 15 days after the request. If BCBSNC does not provide CERTIFICATION of a health care service, BCBSNC will notify you, your HOSPITAL'S or other facility's UM department and your PROVIDER. Written confirmation of the decision will also be sent to your home by U.S. mail.

For concurrent reviews, BCBSNC will remain responsible for COVERED SERVICES you are receiving until you or your representatives have been notified of the denial of benefit coverage.

Retrospective Reviews

BCBSNC also reviews the coverage of health care services after you receive them (retrospective reviews). Retrospective review may include a review to determine if services received in an emergency setting qualify as an EMERGENCY. BCBSNC will make all retrospective review decisions and notify you of its decision within a reasonable time but no later than 30 days from the date BCBSNC received the request. When the decision is to deny benefit coverage, BCBSNC will notify you and your PROVIDER in writing within five business days of the decision. All decisions will be based on MEDICAL NECESSITY and whether the service received was a benefit under this health benefit plan. BCBSNC may take an extension of up to 15 days if additional information is needed. Before the end of the initial 30-day period, BCBSNC will notify you of the extension, the information needed, and the date by which BCBSNC expects to make a decision. You will then have 90 days to provide the requested information. As soon as BCBSNC receives the requested information, or at the end of the 90 days, whichever is earlier, BCBSNC will make a decision within 15 days. Services that were approved in advance by BCBSNC will not be subject to denial for MEDICAL NECESSITY once the claim is received, unless the CERTIFICATION was based on a material misrepresentation about your health condition or you were not eligible for these services under your health benefit plan due to termination of coverage or nonpayment of premiums. All other services may be subject to retrospective review and could be denied for MEDICAL NECESSITY or for a benefit limitation or exclusion.

Care Management

MEMBERS with complicated and/or chronic medical needs may, solely at the option of BCBSNC, be eligible for care management services. Care management (or case management) encourages MEMBERS with complicated or chronic medical needs, their PROVIDERS, and BCBSNC to work together to meet the individual's health needs and promote quality outcomes.

To accomplish this, MEMBERS enrolled in or eligible for care management programs may be contacted by BCBSNC or by a representative of BCBSNC. BCBSNC is not obligated to provide the same benefits or services to a MEMBER at a later date or to any other MEMBER. Information about these services can be obtained by contacting an IN-NETWORK PCP or IN-NETWORK SPECIALIST or by contacting Student BlueSM at email@studentbluenc.com or by calling the number in "Whom Do I Call?"

Continuity Of Care

Continuity of care is a process that allows you to continue receiving care from an OUT-OF-NETWORK PROVIDER for an ongoing special condition at the IN-NETWORK coinsurance level when you or your EMPLOYER changes health benefit plans or when your PROVIDER is no longer in the Blue Options network. If your PCP or SPECIALIST leaves our PROVIDER network and they are currently treating you for an ongoing special condition that meets our continuity of care criteria, BCBSNC will notify you 30 days before the PROVIDER'S termination, as long as BCBSNC receives timely notification from the PROVIDER. To be eligible for continuity of care, you must be actively being seen by an OUT-OF-NETWORK PROVIDER for an ongoing special condition and the PROVIDER must agree to abide by BCBSNC's requirements for continuity of care.

An ongoing special condition means:

- in the case of an acute illness, a condition that is serious enough to require medical care or treatment to avoid a reasonable possibility of death or permanent harm;
- in the case of a chronic illness or condition, a disease or condition that is life-threatening, degenerative, or disabling, and requires medical care or treatment over a prolonged period of time;
- in the case of pregnancy, the second and third trimesters of pregnancy;
- in the case of a terminal illness, an individual has a medical prognosis that the MEMBER'S life expectancy is six months or less.

The allowed transitional period shall extend up to 90 days, as determined by the PROVIDER, except in the cases of :

- scheduled SURGERY, organ transplantation, or inpatient care which shall extend through the date of discharge and post-discharge follow-up care or other inpatient care occurring within 90 days of the date of discharge; and
- second trimester pregnancy which shall extend through the provision of 60 days of postpartum care; and
- terminal illness which shall extend through the remainder of the individual's life with respect to care directly related to the treatment of the terminal illness.

Continuity of care requests will be reviewed by a medical professional based on the information provided about specific medical conditions. Claims for approved continuity of care services will be paid at the IN-NETWORK benefit level. Continuity of care will not be provided when the PROVIDER'S contract was terminated for reasons relating to quality of care or fraud. Such a decision may not be reviewed on appeal.

Please contact Student BlueSM at email@studentbluenc.com or call the number listed in "Whom Do I Call?" for additional information.

Further Review Of UTILIZATION MANAGEMENT Decisions

If you receive a NONCERTIFICATION as part of the PRIOR REVIEW process, you have the right to request that BCBSNC review the decision through the GRIEVANCE process. See "What If You Disagree With Our Decision?"

Delegated UTILIZATION MANAGEMENT

BCBSNC delegates UM and the first level GRIEVANCE review for inpatient and outpatient mental health and substance abuse services to Magellan Behavioral Health. Magellan Behavioral Health is not associated with BCBSNC. Claims determinations and second level GRIEVANCE review are provided by BCBSNC.

Evaluating New Technology

In an effort to allow for continuous quality improvement, BCBSNC has processes in place to evaluate new medical technology, procedures and equipment. These policies allow us to determine the best services and products to offer our MEMBERS. They also help us keep pace with the ever-advancing medical field. Before implementing any new or revised policies, we review professionally supported scientific literature as well as state and federal guidelines, regulations, recommendations, and requirements. We then seek additional input from PROVIDERS who know the needs of the patients they serve.

WHAT IF YOU DISAGREE WITH OUR DECISION?

In addition to the UM program, BCBSNC offers a GRIEVANCE procedure for our MEMBERS. GRIEVANCES include dissatisfaction with a claims denial or any of our decisions (including an appeal of a NONCERTIFICATION decision), policies or actions related to the availability, delivery or quality of health care services.

If you have a GRIEVANCE, you have the right to request that BCBSNC review the decision through the GRIEVANCE process. The GRIEVANCE process is voluntary and may be requested by the MEMBER or an authorized representative acting on the MEMBER'S behalf with the MEMBER'S written consent. In the event you appoint an authorized representative, references to "you" under this section mean "you or your authorized representative" (i.e., the authorized representative may pursue your rights and shall receive all notices and benefit determinations).

Steps To Follow In The GRIEVANCE Process

For each step in this process, there are specified time frames for filing a GRIEVANCE and for notifying you or your PROVIDER of the decision. The review must be requested in writing, within 180 days of a NONCERTIFICATION or denial of benefit coverage (the initial claim denial or the first level GRIEVANCE review decision). Any request for review should include:

- SUBSCRIBER'S ID number
- SUBSCRIBER'S name
- Any other information that may be helpful for the review.
- Patient's name
- The nature of the GRIEVANCE

To request a form to submit a request for review, you may contact Student BlueSM at email@studentbluenc.com or call the number given in "Whom Do I Call?"

All correspondence related to a request for a review through BCBSNC's GRIEVANCE process should be sent to:

First Level GRIEVANCE Review

BCBSNC will provide you with the name, address and phone number of the GRIEVANCE coordinator within three business days after receipt of a review request. BCBSNC will also give you instructions on how to submit written materials. For GRIEVANCES concerning quality of health care, an acknowledgement will be sent by BCBSNC within five business days.

Although you are not allowed to attend a first level GRIEVANCE review, BCBSNC asks that you send all of the written material you feel is necessary to make a decision. BCBSNC will use the material provided in the request for review, along with other available information, to reach a decision. You will be notified in clear written terms of the decision, within a reasonable time but no later than 30 days from the date BCBSNC received the request. You may then request all information that was relevant to the review.

Second Level GRIEVANCE Review

If you are dissatisfied with the first level GRIEVANCE review decision, you have the right to a second level GRIEVANCE review. Second level GRIEVANCES are not allowed for benefits or services that are clearly excluded by this benefit booklet, or for quality of care complaints. Within ten business days after BCBSNC receives your request for a second level GRIEVANCE review, the following information will be given to you:

- Name, address and telephone number of the GRIEVANCE coordinator
- A statement of your rights, including the right to:
 - request and receive from us all information that applies to your case
 - attend the second level GRIEVANCE review meeting
 - present your case to the review panel

WHAT IF YOU DISAGREE WITH OUR DECISION? (cont.)

- submit supporting material before and at the review meeting
- ask questions of any member of the review panel
- be assisted or represented by a person of your choosing, including a family member, a GROUP representative, or an attorney.

The second level review meeting, which will be conducted by a review panel coordinated by BCBSNC using external physicians and/or benefit experts, will be held within 45 days after BCBSNC receives a second level GRIEVANCE review request. You will receive notice of the meeting date and location at least 15 days before the meeting. You have the right to a full review of your GRIEVANCE even if you do not attend the meeting. A written decision will be issued to you within seven business days of the review meeting.

If you have insurance-related problems or questions at any stage in the review process, you may contact the North Carolina Department of Insurance for assistance. Inquiries may be directed by calling 1-800-546-5664 or by writing to the:

North Carolina Department of Insurance
1201 Mail Service Center
Raleigh, NC 27699-1201

Expedited Review

You have the right to a more rapid or expedited review of a NONCERTIFICATION if a delay: (i) would reasonably appear to seriously jeopardize your or your DEPENDENT'S life, health or ability to regain maximum function; or (ii) in the opinion of your PROVIDER, would subject you or your DEPENDENT to severe pain that cannot be adequately managed without the requested care or treatment. You can request an expedited second level review even if you did not request that the initial review be expedited. An expedited review may be initiated by contacting Student BlueSM at email@studentbluenc.com or by calling the number given in "Whom Do I Call?" An expedited review will take place in consultation with a medical DOCTOR. All of the same conditions for a first level or second level GRIEVANCE review apply to an expedited review, except that the review meeting will take place through a conference call or through written communication. BCBSNC will communicate the decision by phone to you and your PROVIDER as soon as possible, taking into account the medical circumstances, but no later than 72 hours after receiving the request. A written decision will be communicated within four days after receiving the request for the expedited appeal. Information initially given by telephone must also be given in writing.

After requesting an expedited review, BCBSNC will remain responsible for covered health care services you are receiving until you have been notified of the review decision.

External Review

North Carolina law provides for review of NONCERTIFICATION decisions by an external, independent review organization (IRO). The North Carolina Department of Insurance (NCDOI) administers this service at no charge to you, arranging for an IRO to review your case once the NCDOI establishes that your request is complete and eligible for review. BCBSNC will notify you of your right to request an external review each time you receive:

- a NONCERTIFICATION decision, or
- an appeal decision upholding a NONCERTIFICATION decision, or
- a second level GRIEVANCE decision upholding a NONCERTIFICATION decision.

In order for your request to be eligible for an external review, the NCDOI must determine the following:

- your request is about a MEDICAL NECESSITY determination that resulted in a NONCERTIFICATION;
- you had coverage with BCBSNC when the NONCERTIFICATION was issued;
- the service for which the NONCERTIFICATION was issued appears to be a COVERED SERVICE, and
- you have exhausted BCBSNC's internal GRIEVANCE review process as described below.

For a standard external review, you will have exhausted the internal GRIEVANCE review process if you have:

- completed BCBSNC's first and second level GRIEVANCE review and received a written second level determination from BCBSNC, or
- filed a second level GRIEVANCE and have not requested or agreed to a delay in the second level GRIEVANCE process, but have not received BCBSNC's written decision within 60 days of the date you submitted the request, or
- received written notification that BCBSNC has agreed to waive the requirement to exhaust the internal appeal and/or second level GRIEVANCE process.

External reviews are performed on a standard or expedited basis, depending on which is requested and on whether medical circumstances meet the criteria for expedited review.

Standard External Review

WHAT IF YOU DISAGREE WITH OUR DECISION? (cont.)

For all requests for a standard external review, you must file your request with the NCDOI within 60 days of receiving one of the notices listed above.

If the request for an external review is related to a retrospective NONCERTIFICATION (a NONCERTIFICATION which occurs after you have already received the services in question), the 60-day time limit for receiving BCBSNC's second level determination does not apply. You will not be eligible to request an external review until you have exhausted the internal appeal process and have received a written second level determination from BCBSNC.

Expedited External Review

An expedited external review may be available if the time required to complete either an expedited internal first or second level GRIEVANCE review or a standard external review would reasonably be expected to seriously jeopardize your life or health or to jeopardize your ability to regain maximum function. If you meet this requirement, you may make a written or verbal request to the NCDOI for an expedited external review, after you receive:

- a NONCERTIFICATION from BCBSNC and have filed a request with BCBSNC for an expedited first level appeal; or
- a first level appeal decision upholding a NONCERTIFICATION and have filed a request with BCBSNC for an expedited second level GRIEVANCE review; or
- a second level GRIEVANCE review decision from BCBSNC.

In addition, prior to your discharge from an inpatient facility, you may also request an expedited external review after receiving a first level appeal or second level GRIEVANCE decision concerning a NONCERTIFICATION of the admission, availability of care, continued stay or EMERGENCY health care services.

If your request is not accepted for expedited review, the NCDOI may: (1) accept the case for standard external review if you have exhausted the internal GRIEVANCE review process; or (2) require the completion of the internal GRIEVANCE review process and another request for an external review. An expedited external review is not available for retrospective NONCERTIFICATIONS.

When processing your request for external review, the NCDOI will require you to provide the NCDOI with a written, signed authorization for the release of any of your medical records that need to be reviewed for the purpose of reaching a decision on the external review.

The Healthcare Review Program provides consumer counseling on utilization review and GRIEVANCE issues.

Within ten business days (or, for an expedited review, within three business days) of receipt of your request for an external review, the NCDOI will notify you and your PROVIDER of whether your request is complete and whether it has been accepted. If the NCDOI notifies you that your request is incomplete, you must provide all requested, additional information to the NCDOI within 90 days of the written notice from BCBSNC upholding a NONCERTIFICATION (generally the notice of a second level GRIEVANCE review decision) which initiated your request for an external review. If the NCDOI accepts your request, the acceptance notice will include: (i) name and contact information for the IRO assigned to your case; (ii) a copy of the information about your case that BCBSNC has provided to the NCDOI; and (iii) a notification that you may submit additional written information and supporting documentation relevant to the initial NONCERTIFICATION to the assigned IRO within seven days after the receipt of the notice. It is presumed that you have received written notice two days after the notice was mailed. Within seven days of BCBSNC's receipt of the acceptance notice (or, for an expedited review, within the same business day), BCBSNC shall provide the IRO and you, by the same or similar expeditious means of communication, the documents and any information considered in making the NONCERTIFICATION appeal decision or the second level GRIEVANCE review decision. If you choose to provide any additional information to the IRO, you must also provide that same information to BCBSNC at the same time and by the same means of communication (e.g., you must fax the information to BCBSNC if you faxed it to the IRO). When sending additional information to BCBSNC, send it to:

Please note that you may also provide this additional information to the NCDOI within the seven-day deadline rather than sending it directly to the IRO and BCBSNC. The NCDOI will forward this information to the IRO and BCBSNC within two business days of receiving the additional information.

The IRO will send you written notice of its decision within 45 days (or, for an expedited review, within four business days) of the date the NCDOI received your external review request. If the IRO's decision is to reverse the NONCERTIFICATION, BCBSNC will, within three business days (or, for an expedited review, within one day) of receiving notice of the IRO's decision, reverse the NONCERTIFICATION decision and provide coverage for the requested service or supply. If you are no longer covered by BCBSNC at the time BCBSNC receives notice of the IRO's decision to reverse the NONCERTIFICATION, BCBSNC will only provide coverage for those services or supplies you actually received or would have received prior to disenrollment if the service had not been noncertified when first requested.

The IRO's external review decision is binding on BCBSNC and you, except to the extent you may have other remedies available under applicable federal or state law. You may not file a subsequent request for an external review involving the same NONCERTIFICATION for which you have already received an external review decision.

Delegated Appeals

BCBSNC delegates responsibility for the first level GRIEVANCE review for inpatient and outpatient mental health and substance abuse services to Magellan Behavioral Health. Magellan Behavioral Health is not associated with BCBSNC. Please forward written GRIEVANCES to:

Second level GRIEVANCE review is provided by BCBSNC.

ADDITIONAL TERMS OF YOUR COVERAGE

Benefits To Which MEMBERS Are Entitled

The only legally binding benefits are described in this benefit booklet, which is part of the CONTRACT between BCBSNC and the GROUP. The terms of your coverage cannot be changed or waived unless BCBSNC agrees in writing to the change.

The benefits described in this benefit booklet are provided only for MEMBERS. These benefits and the right to receive payment cannot be transferred to another person. At the option of BCBSNC, payment for services will be made to the PROVIDER of the services, or BCBSNC may choose to pay the SUBSCRIBER.

If a MEMBER resides with a custodial parent or legal guardian who is not the SUBSCRIBER, BCBSNC will, at its option, make payment to either the PROVIDER of the services or to the custodial parent or legal guardian for services provided to the MEMBER. If the SUBSCRIBER or custodial parent or legal guardian receives payment, it is his or her responsibility to pay the PROVIDER.

Benefits for COVERED SERVICES specified in this health benefit plan will be provided only for services and supplies that are performed by a PROVIDER as specified in this health benefit plan and regularly included in the ALLOWED AMOUNT. BCBSNC establishes coverage determination guidelines that specify how services and supplies must be billed in order for payment to be made under this health benefit plan.

Any amounts paid by BCBSNC for noncovered services or that are in excess of the benefit provided under your Blue Options coverage may be recovered by BCBSNC. BCBSNC may recover the amounts by deducting from a MEMBER'S future claims payments. This can result in a reduction or elimination of future claims payments. BCBSNC will recover amounts we have paid for work-related accidents, injuries, or illnesses covered under state workers' compensation laws upon final adjudication of the claim or an order of the applicable state agency approving a settlement agreement. It is the legal obligation of the MEMBER, the EMPLOYER or the workers' compensation insurer (whoever is responsible for payment of the medical expenses) to notify BCBSNC in writing that there has been a final adjudication or settlement.

PROVIDERS are independent contractors, and they are solely responsible for injuries and damages to MEMBERS resulting from misconduct or negligence.

BCBSNC's Disclosure Of Protected Health Information (PHI)

At BCBSNC, we take your privacy seriously. We handle all PHI as required by state and federal laws and regulations and accreditation standards. We have developed a privacy notice that explains our procedures.

To obtain a copy of the privacy notice, contact Student BlueSM at the number listed in "Whom Do I Call?"

Administrative Discretion

BCBSNC has the authority to make reasonable determinations in the administration of coverage. These determinations will be final. Such determinations include decisions concerning eligibility for benefits, coverage of services, care, treatment, or supplies and reasonableness of charges. BCBSNC medical policies are guides considered by BCBSNC when making coverage determinations.

PROVIDER Reimbursement

BCBSNC has contracts with certain PROVIDERS of health care services for the provision of, and payment for, health care services provided to all MEMBERS entitled to health care benefits. BCBSNC's payment to PROVIDERS may be based on an amount other than the billed charges, including without limitation, an amount per confinement or episode of care, agreed upon schedule of fees, or other methodology as agreed upon by BCBSNC and the PROVIDER. Under certain circumstances, a contracting PROVIDER may receive payments from BCBSNC greater than the charges for services provided to an eligible MEMBER, or BCBSNC may pay less than charges for services, due to negotiated contracts. The MEMBER is not entitled to receive any portion of the payments made under the terms of contracts with PROVIDERS. The MEMBER'S liability when defined as a percent of charge shall be calculated based on the lesser of the ALLOWED AMOUNT or the PROVIDER'S billed charge for COVERED SERVICES provided to a MEMBER.

Services Received In North Carolina

Some OUT-OF-NETWORK PROVIDERS have other agreements with BCBSNC that affect their reimbursement for COVERED SERVICES provided to Blue Options MEMBERS. These PROVIDERS agree not to bill MEMBERS for any charges higher than their agreed upon, contracted amount. In these situations, MEMBERS will be responsible for the difference between the Blue Options ALLOWED AMOUNT and the contracted amount. OUT-OF-NETWORK PROVIDERS may bill you directly. If you are billed, you will be responsible for paying the bill and filing a claim with BCBSNC.

Services Received Outside Of North Carolina

Your ID CARD gives you access to participating PROVIDERS outside the state of North Carolina through the BlueCard program. Your ID CARD tells participating PROVIDERS that you are a MEMBER of BCBSNC. By taking part in this program, you may receive discounts from out-of-state PROVIDERS who participate in the BlueCard program.

ADDITIONAL TERMS OF YOUR COVERAGE (cont.)

When you obtain health care services through the BlueCard Program outside the area in which the BCBSNC network operates, the amount you pay toward such COVERED SERVICES, such as DEDUCTIBLES, COPAYMENTS or COINSURANCE, is usually based on the **lesser** of:

- The billed charges for your COVERED SERVICES, or
- The negotiated price that the out-of-state Blue Cross and/or Blue Shield licensee ("Host Blue") passes on to us.

This "negotiated price" can be:

- A simple discount which reflects the actual price paid by the Host Blue
- An estimated price that factors in expected settlements, withholds, contingent payment arrangements, or other nonclaims transactions, with your health care PROVIDER or with a group of PROVIDERS
- A discount from billed charges that reflects the **average** expected savings with your health care PROVIDER or with a group of PROVIDERS. The price that reflects average savings may result in greater variation (more or less) from the actual price paid than will the estimated price.

The estimated or average price may be adjusted in the future to correct for over- or underestimation of past prices. However, the amount you pay is considered a final price.

Should any state enact a law that mandates liability calculation methods that differ from the usual BlueCard program method or requires a surcharge, your required payment for services in that state will be based upon the method required by that state's law.

Services Received Outside the United States

This plan provides benefits to MEMBERS outside the United States. In order to receive IN-NETWORK benefits, you must receive outpatient or inpatient medical care from a HOSPITAL or PROVIDER that participates in the Blue Cross and Blue Shield worldwide PROVIDER network, except in an EMERGENCY.

Medical Evacuation

In the event of an unforeseen injury or illness where emergency evacuation is determined to be **MEDICALLY NECESSARY** for you to be transported under medical supervision to the nearest HOSPITAL or treatment facility for treatment, or to be returned to your place of residence for treatment, BCBSNC will arrange for and pay for reasonable expenses incurred for the transport up to the benefit maximum (see "Summary Of Benefits"). Transportation shall be made via the most direct and economical route. Covered land or air transportation includes, but is not limited to, commercial stretcher, medical escort, or air ambulance.

Transport services, including proper medical supervision during transport, are only eligible for payment if arrangements are made through BCBSNC by calling 1-800-810-2583 (arrangements within the United States) or through BlueCard Worldwide by calling 1-804-673-1177 (international arrangements). If these services are not pre-approved and arranged in advance through BCBSNC or BlueCard Worldwide, services will not be covered. Medical services received prior to and after medical evacuation are subject to all coverage requirements and limitations under this health benefit plan. If you disagree with a **MEDICALLY NECESSITY** determination, see "What If You Disagree With Our Decision? See limitations and exclusions below.

Repatriation Of Mortal Remains

In the event of an injury or illness resulting in death, all reasonable expenses incurred for preparation and return of the remains to the country/state of residence will be paid up to the benefit maximum (see "Summary Of Benefits"). Services are only eligible for payment if arrangements are made through BCBSNC by calling 1-800-810-2583 (arrangements within the United States) or through BlueCard Worldwide by calling 1-804-673-1177 (international arrangements). If services are not arranged through BCBSNC or BlueCard Worldwide these services will not be covered. See limitations and exclusions below.

Medical Evacuation/Repatriation of Mortal Remains Limitations and Exclusions

- BCBSNC shall not evacuate or repatriate you if such transport is not **MEDICALLY NECESSARY** advisable, or permissible under current public health directives, or if the injury or illness can be treated locally.
- The MEMBER is financially responsible for any expenses for transport and associated medical supervision when services are not arranged through BCBSNC or BlueCard Worldwide.
- The MEMBER is financially responsible for any expenses related to a family member accompanying MEMBER.
- All medical services received prior to and after transport are subject to other coverage terms and limitations provided for under your health benefit plan.
- BCBSNC will not cover the cost of any taxes, government fees, tips, or costs due to delay in transport.

BCBSNC shall not evacuate or repatriate you from countries or locales in situations such as war, natural disaster or political instability. BCBSNC shall not be held responsible for failure to provide, or for delay in providing services when such failure or delay is caused by conditions beyond our control, including but not limited to flight conditions, labor disturbance and strike, rebellion or riot, civil

commotion, war, or uprising nuclear accidents, natural disasters, acts of God or when rendering service is prohibited by local law or regulations.

BCBSNC Contract

BCBSNC, is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield plans, permitting BCBSNC to use the Blue Cross and Blue Shield service marks in the state of North Carolina. BCBSNC is not contracting as an agent of the Blue Cross and Blue Shield Association. This paragraph shall not create any additional obligations whatsoever on the part of BCBSNC other than those obligations created under other provisions of this health benefit plan.

Notice Of Claim

BCBSNC will not be liable for payment of benefits unless proper notice is furnished to BCBSNC that COVERED SERVICES have been provided to a MEMBER. If the MEMBER files the claim, written notice must be given to BCBSNC within 18 months after the MEMBER incurs the COVERED SERVICE, except in the absence of legal capacity of the MEMBER. How We Use and Disclose Your Protected Health Information

We may use and disclose your protected health information as permitted by federal and state privacy laws and regulations. We have described below how we are most likely to use and disclose your protected health information under these laws and regulations. Generally, we will only use and disclose your PHI as authorized by you or as permitted or required by law. If you cease to be a member, we will no longer disclose your PHI, except as permitted or required by law.

The federal health care privacy regulations known as "HIPAA" generally do not take precedence over state or other applicable privacy laws that provide individuals greater privacy protections. As a result, when a state law requires us to impose stricter standards to protect your health information, we will follow the state law rather than the HIPAA Privacy Regulations. For example, where such laws have been enacted, we will follow more stringent state privacy laws that relate to uses and disclosures of the protected health information concerning HIV or AIDS, mental health, substance abuse/chemical dependency, genetic testing or reproductive rights.

We may use and disclose your PHI for the following purposes:

Payment. We may use and disclose your PHI for payment purposes or to otherwise fulfill our responsibilities for coverage and providing benefits as established under your policy. Health Care Operations. We may use and disclose your PHI to support our business functions. These functions include, but are not limited to: quality assessment and improvement, reviewing the competence or qualifications of your health care provider and evaluating the performance of your health care provider; conducting training programs, accreditation, certification, licensing or credentialing activities, rating our risk and determining our premiums for your health plan, medical review, legal services and auditing, business management and general administrative activities, including activities relating to privacy, customer service and resolution of grievances, business planning and business development. For example, we may use or disclose your PHI: (i) to inform you about one of our disease management programs; (ii) to respond to a customer service inquiry from you; (iii) in connection with

We may also disclose your PHI to the North Carolina Department of Insurance during a review of our health insurance operations. We may also disclose your PHI to non-affiliated third parties where allowed by law and as necessary to help us fulfill our obligations to you.

Your Authorization. You may give us written authorization to use or disclose your PHI for any purpose. If you give us an authorization, you may revoke it at any time by giving us written notice. Your revocation will not affect any use or disclosures permitted by your authorization while it is in effect. Without your authorization, we may not use or disclose your PHI for any reason except as described in this notice.

Your Family and Friends. We may disclose PHI to a family member, a friend or other persons whom you indicate are involved in your care or payment for your care. We may use or disclose your name, location and general condition or death to notify or help with notification of a family member, your personal representative, or other persons involved in your care about your situation. If you are incapacitated or in an emergency, we may disclose your PHI to these persons if we determine that the disclosure is in your best interest. If you are present, we will give you the opportunity to object before we disclose your PHI to these persons.

Your Health Care Provider. We may use and disclose your PHI to assist health care providers in connection with their treatment or payment activities. For example, we may disclose your PHI when needed by a health care professional to render medical treatment to you.

Underwriting. We may receive your PHI for underwriting, premium rating or other activities relating to the creation, renewal or replacement of a contract of health insurance or health benefits. We will not use or further disclose this PHI for any other purpose, except as required by law, unless the contract of health insurance or health benefits is placed with us. If the contract is placed with us, we will only use or disclose your PHI as described in this notice.

Business Associates. We may contract with individuals and entities called business associates to perform various functions on our behalf or to provide services to you. To perform these functions or services, business associates may receive, create, maintain, use or disclose your PHI, but only after the business associate has agreed in writing to safeguard your PHI. For example, we may disclose your PHI to a business associate who will administer your health plan's prescription benefits, or perform preenrollment medical screenings.

Required by Law and Law Enforcement. We may use or disclose your PHI when we are required to do so by state or federal law. We are required to disclose your PHI to the Secretary of the U.S. Department of Health and Human Services when the Secretary is investigating or determining our compliance with federal privacy laws. We may disclose your PHI in connection with legal proceedings such as in response to an order from a court or administrative tribunal, or in response to a subpoena. We may also disclose your PHI for law enforcement purposes.

Please see your group health plan document for a full explanation of the limited uses and disclosures that the plan sponsor may make of your PHI in providing plan administration. We may also disclose summary information about the enrollees in your group health plan to the plan sponsor to use to obtain premium bids for the health insurance coverage offered through your group health plan or to decide whether to modify, amend or terminate your group health plan.

PRIVACY NOTICE
