About Medicare Supplement Plans

Premium Information

Blue Cross and Blue Shield of North Carolina (Blue Cross NC) can only raise your premium if we raise the premium for all policies like yours in this state. For attained-age policies, your premium may change on June 1 each year.

Read Your Policy Very Carefully

This is only an outline describing your policy’s most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Right to Return Policy

If you find that you are not satisfied with your policy, you may return it to Blue Cross NC, Attention: Blue Medicare Supplement Enrollment, P.O. Box 17509, Winston-Salem, NC 27116.

If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

Policy Replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

This policy may not fully cover all of your medical costs. Neither Blue Cross NC nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult *Medicare & You*, which you can view and download at Medicare.gov, for more details.

Complete Answers Are Very Important

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

Please refer to ***Choosing a Medigap Policy: Guide to Health Insurance for People with Medicare*** located online at Medicare.gov.

(“Medigap” is another term used for Medicare Supplement plans.)

- Medicare benefits are subject to change. Please consult the latest *Guide to Health Insurance for People with Medicare*.

- 1 Plans F and G also have a high deductible option which requires first paying a plan deductible of \$2,800 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High Deductible Plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.
- 2 Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.
- 3 Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

Blue Medicare Supplement™

Attained-Age Plans

Blue Cross NC offers Medicare Supplement plans with attained-age rates.

When you enroll in an attained-age plan, your rates will increase as you age, due to your age. Our rates will only increase due to age when you move from one age band to the next. In addition, rate adjustments will also be due to medical inflation or overall claims experience. Note: Rates are subject to change June 1 of each year and are guaranteed to remain the same for 12 months from that date. Any change in your rate will be preceded by a 30 day notice. Medicare policies that are attained-age rated should be compared to entry-age rated policies (also known as issue-age rated policies). Premiums for entry-age policies do not increase due to age as the insured ages.

The **federal government** has asked us to provide this outline of coverage to help you decide which plan best fits your needs and meets your budget.

Example of Individual Rate Changes on Attained-Age Plans

The chart below illustrates attained-age rate changes due to age and claims trend over a 15 year period.

Notes:

- Source: Internal Blue Cross NC data, 2022.
- The chart illustrates Plan G's cost over a 15 year period. Attained-age plans will adjust on medical trends, however the premium will increase due to age. For illustrative purposes only.

Footnotes:

- 1 You will pay half the cost sharing of some covered services until you reach the annual out-of-pocket limit of \$7,060 each calendar year. However, this limit does NOT include charges from your provider that exceed Medicare-approved amounts (these are called "excess charges"), and you will be responsible for paying this difference in the amount charged by your provider and the amount paid by Medicare for the item or service.
- 2 A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.
- 3 The amount you pay counts toward your annual out-of-pocket limit. Once you reach the annual limit, the plan pays 100% of your Medicare copayment and coinsurance for the rest of the calendar year.
- 4 Notice: When your Medicare Part A hospital benefits are exhausted, the insurer stands in the place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time, the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

Limitations and Exclusions

Blue Cross NC does not provide benefits for services, supplies or charges that are:

- Not a Medicare-eligible expense under the Medicare program, unless otherwise noted;
- For treatment of a pre-existing condition before a required waiting period ends; or
- Payable under Medicare.

Note regarding waiting periods for pre-existing conditions:

Pre-existing conditions are conditions for which medical advice was given or treatment was recommended by or received from a doctor within six months of the effective date of coverage. Coverage for such conditions may be subject to a six month waiting period after the effective date of coverage.

The six month waiting period will be reduced by the amount of time you have been enrolled under other health insurance coverage so long as the coverage terminated no more than 63 days prior to your date of application. The six month waiting period will not apply and your policy is guaranteed issue regardless of health status if you fit into one of the following categories and you applied for this policy within 63 days of terminating your old coverage (if applicable):

- If you have six months of prior health coverage;
- If, after becoming eligible for Medicare Part A at age 65, you first choose to enroll in a Medicare Advantage plan and disenroll within 12 months, you may choose any Medicare supplement plan in your state;
- If, within 12 months of enrolling in your first Medicare Advantage plan, you may switch back to the same policy if the same insurance company still sells it. If your same plan isn't available, you may switch to Medicare Supplement Plan A, B, D, G, K or L that is sold in your state. (Note: If you first enroll in a Medicare Advantage plan at 65 and disenroll within 12 months, you may choose any Medicare Supplement plan.)

Additionally, waiting periods will not apply (and our policy is guaranteed issue) if:

- Your employer's Medicare Supplement plan ended;
- You disenroll from a Medicare Advantage plan or other similar state or federal Medicare program because: Your plan lost its federal certification; you moved outside the plan's service area; or you terminated the coverage because your previous issuer materially misrepresented the provisions of the plan when marketing it to you;
- Your previous Medicare Supplement plan's issuer went bankrupt; or
- Your previous Medicare Supplement plan's issuer materially misrepresented or substantially violated provisions of your coverage.

Your policy is guaranteed renewable

This policy is guaranteed renewable and may not be canceled or non-renewed for any reason other than your failure to pay premiums or misstatements in or omissions of information from your application. Any change in your rate will be preceded by a 30 day notice and is guaranteed for 12 months.

Caution: Policy benefits are limited to those approved by Medicare for payment.
