Health Plan for Elon University Undergraduate Students | 2026–2027

Student Blue

A healthy plan for a successful future

Elon University has selected Student Blue to provide you with quality health insurance coverage from Blue Cross and Blue Shield of North Carolina (Blue Cross NC). With Student Blue, you have low out-of-pocket costs and worldwide coverage.¹

All eligible students enrolled at Elon University are required to have health insurance coverage. Elon University endorses a cost-effective Student Health Insurance Plan (SHIP) that covers additional health care expenses not included in the Student Health Fee. This plan is administered by Blue Cross NC.

- **All full-time students** enrolled at Elon University are automatically enrolled in this SHIP, and the cost will be included on the Fall tuition bill.
- **Domestic students** may waive coverage by providing proof of comparable coverage. Students must complete an online waiver at StudentBlueNC.com/#/Elon in order to opt out of the plan.
- **Student Health Center benefits:** The deductible will be waived and the benefits will be paid at 100% of covered medical expenses incurred based on the approved fee schedule when treatment is rendered at the Student Health Center.

Special enrollment:

If you are declining enrollment for yourself or your dependents (including your spouse/domestic partner) because of other health insurance including Medicaid, Children's Health Insurance Program (CHIP), or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (other than Medicaid or CHIP), or if the employer stops contributing toward your or your dependents' other coverage and within 60 days after the loss of Medicaid or CHIP eligibility. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption or foster care, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption or foster care, except when adding a dependent child will not change your coverage type or premiums that are owed.
