Codes Requiring Medical Records and Invoice Submission for Payment Integrity

The following is a list of the CPT, Revenue, and HCPCS codes known to typically require additional information for claim review. When reporting one of the following codes on a claim, only the documentation identified as "Information Required" should be submitted to BCBSNC in advance of the claim being filed.

Please note this code listing is not to be considered all-inclusive and is subject to revision by BCBSNC at any time.

Please note that 3D printed orthopedic implants are no longer reviewed
