Carelon Medical Benefits Management, Inc. updates effective July 26, 2025

Effective July 26, 2025, the following Carelon Medical Benefits Management *Clinical Appropriateness Guideline* updates will be adopted for Blue Cross NC. This article is to communicate the plan adoption of these guidelines. Existing preapproval requirements have not changed. In the event of implementation of a preapproval requirement for these services, a separate notice will be distributed before the addition of preapproval requirements.

The following guideline updates have a publish date of July 26, 2025:

- Genetic Testing:
 - Chromosomal Microarray Analysis
 - Pharmacogenomic Testing
 - Whole Exome Sequencing and Whole Genome Sequencing
- Musculoskeletal:
 - Interventional Pain Management

You may access and download a copy of the current and upcoming guidelines [here](#).

Please share this notice with other members of your practice and office staff.
