

Utilization Management Policy Name: Request for Waiver of Brand Drug Additional Fees

Additional fees may be waived for a brand name medication when a generic is available if all the following are met:

1. The prescriber has indicated on the prescription “Dispense As Written (DAW)”; **AND**
2. The patient has tried an A-rated generic equivalent to a brand name medication; **AND**
3. The patient had a documented allergic reaction to an excipient (inactive ingredient) that is present in the generic formulation, but is absent in the brand name equivalent; **AND/OR**
4. The patient had a documented life-threatening side effect that required medical intervention to a generic medication that did not occur with the brand; **AND**
5. The prescriber completed and submitted an FDA MedWatch Adverse Event Reporting Form [the prescriber must provide a copy of the completed MedWatch form; authorization will not be considered unless the form is completed and submitted to the FDA].

Duration of Approval: 1095 days (3 years)
